updates and information from Shepherd's Fold Ranch

## Prepare for the Journey

### The Pool Gets a Facelift

It will be like an oasis and a party!

This summer be prepared to relax and enjoy the newly expanded and resurfaced pool and deck area. We've been working hard the past few months to revitalize one of camp's greatest asset. The pool will have a brand new expanded deck, full lighting, full electric, and a resurfaced exterior and interior. **Be checking the website for updates and pictures.**

### The Spring Retreat was a Blast

Last week we had about 40 campers and 15 staff show up for our annual Spring Retreat. The weekend was centered on the new "seeds" God is planting in our lives and how we need to respond to remain being good soil. A couple of new games were introduced as well as a skit competition of EPIC proportions. Check out the skit videos [here](#).

#### Don't Forget

To register for summer camp 2008. The theme is "Prepare for the Journey" and you can view our camp curriculum directly from our [website](#).

We have Camp for kids ages 5-25 so you are sure find something that fits your needs. If you have any questions about camp dates, pricing or other concerns please call us at [918.263.3622](tel:918.263.3622).

## The Zip Line is BACK!

Dont worry... This man IS a cable guy

After a long and lonely season of retirement the Zip Line has finally decided to come back to camp...

Just kidding, but

seriously we have installed a new 50ft pole that will be used throughout our challenge course development and we've put a new Zip line about 30ft up. The kids at the Spring retreat got a taste of the new ride and Elliott can even show you the ride if you simply click [here](#).

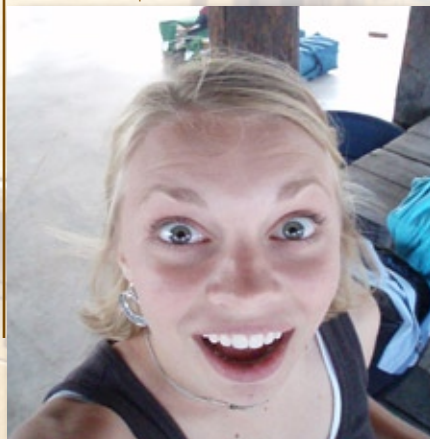

## Spots are Filling Fast

Our first year Forerunner Training Camp (FTC) is filling fast so make sure you register ASAP. The FTC is for 16-17 year olds who desire to transform their lives and world through the renewing of their minds and by being obedient to the Lord. The primary focus of the camp is to provide opportunities for teenagers to develop servant leadership mentalities in every aspect of their lives while learning how to love and live in temporary community. Check out our Forerunner teaser [video](#).

## Who knew: Katie Adel

Katie Adel joined the SFR Leadership team this past year and has hit the ground running. She will Coordinate both FTC and Day Camp with Luke Yinger this summer. Katie is a 20 year old student at OSU who is studying Early childhood development. She comes from a family of 6 who mostly live in Edmund,

This will be Katie's 3rd summer out at the Ranch and she loves it so much because, "this really is a place [SFR] that you can come to and do business with God". We are excited to have Katie on board this summer and are very pleased with the creativity and fresh ideas she has already developed.

"A new command I give you: Love one another. As I have loved you, so you must love one another."

John 13:34

Prepare for the Journey
